ORDER ADOPTING REPORT AND RECOMMENDATION

This action for habeas corpus relief brought by a prisoner, proceeding pro se, was referred to United States Magistrate Judge Robert E. Bacharach, consistent with the provisions of 28 U.S.C. § 636(b)(1)(B). Judge Bacharach entered a Report and Recommendation on November 27, 2012, to which Petitioner has timely objected. The Court therefore considers the matter de novo.

The facts and relevant law are set out in full in the accurate and well-reasoned opinion of the Magistrate Judge. No point would be served in repeating that analysis. Petitioner does not specifically dispute either the factual recitation or the legal reasoning employed by the Magistrate Judge, but rather again sets out a convoluted set of facts which ignores the legal standards requiring dismissal. There is nothing asserted by the Petitioner which was not fully considered and correctly rejected by the Magistrate Judge, and no argument of fact or law is set forth in the objection which would require or permit a different result.

Accordingly, the Court adopts, in its entirety, the Report and Recommendation of the Magistrate Judge, and for the reasons announced therein, denies this petition for habeas corpus relief. A judgment will enter accordingly.

IT IS SO ORDERED this 20th day of December, 2012.

ROBIN J. CAUTHRON
United States District Judge
